SUMMARY

B.Tech Computer Science graduate with a strong interest in software development and web technologies. Hands-on experience in frontend development, data annotation, and business development, with experience building web projects. Seeking an entry-level Software Developer opportunity to apply my technical knowledge and grow as a software professional.

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, SQL

Frontend: HTML5, CSS3, React.js, Next.js

Backend: Node.js, Express.js, Django, REST APIs

Databases: MySQL, MongoDB

Tools: Git, GitHub, Postman, VS Code, Netlify

Core: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks, Basic DevOps, CI/CD

EXPERIENCE

Business Development Associate

Present

Urban Company

- Manage candidate communication, lead follow-ups, requirement understanding, and onboarding coordination.
- Coordinate with candidates and stakeholders through calls and digital channels while maintaining accurate records.

Data Annotation Associate

Dec 2025 – May 2026

RMSI

- Performed data annotation, classification, validation, and quality checks according to project guidelines.
- Reviewed and labeled large datasets with accuracy, consistency, attention to detail, and timely delivery.

Frontend Developer Intern

Jun 2025 – Aug 2025

Lavel Tech Private Limited

- Developed responsive and reusable React.js components and integrated frontend interfaces with REST APIs.
- Used Git/GitHub and collaborated with development teams to deliver web application features.

PROJECTS

E-Commerce Web Application

React.js, Node.js, Express.js, MongoDB

- Developed a full-stack e-commerce application with product catalog, authentication, shopping cart, and REST API integration.
- Built backend APIs using Node.js and Express.js with MongoDB for application data management.

Chandan Enterprises – Freelance Web Project

- Developed a responsive business website based on client requirements and optimized the layout for different devices.
- Live Website: chandanenterprises.in

Personal Portfolio Website

React.js, JavaScript, GitHub, Netlify

- Built and deployed a responsive portfolio website to showcase technical skills, projects, and experience.
- Managed the source code with Git/GitHub and deployed the website using Netlify.

EDUCATION

Bachelor of Technology in Computer Science & Engineering

2025

Dr. APJ Abdul Kalam Technical University (AKTU)

GPA: 7.3/10

Intermediate (Science)

2021

M.S. Memorial Public School

ACHIEVEMENTS

- Solved 400+ problems on LeetCode and 200+ problems on HackerRank in Data Structures and Algorithms.
